Company/Employer

I hereby certify that the information contained in the Employment Application and on any resumé provided to this employer is true, correct, and complete. I agree to have the information verified by this employer. I authorize this employer to contact my former employers, references, and any and all other persons and organizations for information bearing upon my qualifications for employment. I further authorize the listed employers, schools, and personal references to give this employer (without further notice to me) any and all information about my previous employment and education, along with any other pertinent information they may have. I understand that any misrepresentation, falsification, or omission of information on this Employment Application may result in my failure to receive an offer, or, if I am hired, in my dismissal from employment. I also understand that all offers of employment are conditioned on satisfactory proof of my identity and legal authority to work in the United States. If hired, I will comply with all rules and regulations of this employer. I understand that this employer reserves the right to require me to submit to a test for the presence of drugs and/or alcohol in my system prior to employment and at any time during my employment, to the extent permitted by law. The Company is committed to providing a safe and hazard-free work environment. I understand I must comply with Company's Drug and Alcohol Policy. I also understand that any offer of employment may be contingent upon the passing of a job-related physical examination. I consent to the disclosure of the results of any physical examination and related tests to this employer. I also understand that I may be required to take other tests, such as personality and honesty tests, prior to employment and during my employment. I understand that, should I decline to sign the consent or decline to take any of the above tests, my application for employment may be rejected or my employment may be terminated. I understand that bonding may be a condition of hire. If it is, I will be so advised either before or after hiring and a bond application will have to be completed.

Employment At-Will and Arbitration Agreement – California

Company/Employer

1. It is hereby agreed by and between me and Company that my employment shall not be for any specific duration and may be terminated at any time, by me or Company, with or without cause and/or with or without prior notice. My status as an at-will employee may not be changed except in writing signed by me and the President of Company. This express at-will acknowledgement supersedes any and all prior representations or understandings, whether written or oral, express or implied, issued by Company, and is the entire agreement between us, regarding the terms and conditions of my employment.

2. I and Company agree to utilize binding arbitration as the sole and exclusive means to resolve all disputes which may arise out of, or be related in any way to, my employment, including, but not limited to, the termination of my employment and my compensation. I and the Company each specifically waive and relinquish our respective rights to bring a claim against the other in a court of law, and this waiver shall be equally binding on any person who represents or seeks to represent me or the Company in a lawsuit against the other in a court of law. I and Company each agree that any claim, dispute, and/or controversy which I may have against the Company (or its owners, directors, officers, managers, employees, or agents), or the Company may have against me, shall be submitted to, and determined exclusively by, binding arbitration under the Federal Arbitration Act ("FAA"), in conformity with the procedures of the California Arbitration Act (Cal. Code Civ. Proc. Sec 1280 et seq., including Section 1283.05 and all of the Act's other mandatory and permissive rights to discovery). The FAA applies to this agreement because the Company's business involves interstate commerce. Included within the scope of this agreement are all disputes, whether based on tort, contract, statute (including, but not limited to, any claims of discrimination, harassment, and/or retaliation, whether they be based on the California Fair Employment and Housing Act, Title VII of the Civil Rights Act of 1964, as amended, or any other state or federal law or regulation), equitable law, or otherwise. The only exception to the requirement of binding arbitration shall be for claims arising under the National Labor Relations Act which are brought before the National Labor Relations Board, claims for medical and disability benefits under the California Workers' Compensation Act, Employment Development Department claims, or as may otherwise be required by state or federal law. However, nothing herein shall prevent me from filing and pursuing proceedings before the California Department of Fair Employment and Housing, or the United States Equal Employment Opportunity Commission (although, if I choose to pursue a claim following the exhaustion of such administrative remedies, that claim would be subject to the provisions of this agreement). By this binding arbitration provision, I acknowledge and agree that Company and I give up our respective rights to trial by jury of any claim I or Company may have against the other.

3. All claims brought under this binding arbitration agreement shall be brought in my or the Company's individual capacity. This binding arbitration agreement shall not be construed to allow or permit the consolidation or joinder of other claims or controversies involving any other employees, or permit such claims or controversies to proceed as a class action, collective action, private attorney general action, or any similar representative action. No arbitrator shall have the authority under this agreement to order any such class or representative action. By signing this agreement, I am agreeing to waive any substantive or procedural rights that I may have to bring an action on a class, collective, private attorney general, representative, or other similar basis. However, due to the nature of this waiver, Company has provided me with the ability to choose to retain these rights by affirmatively checking the box at the end of this paragraph. Accordingly, I expressly agree to waive any right I may have to bring an action on a class, collective, private attorney general, representative, or other similar basis, unless I check this box:

4. I acknowledge that this agreement is not intended to interfere with my rights to collectively bargain, to engage in protected, concerted activity, or to exercise other rights protected under the National Labor Relations Act, and that I will not be subject to disciplinary action of any kind for opposing the arbitration provisions of this agreement.

5. In addition to any other requirements imposed by law, the arbitrator selected shall be a retired California Superior Court judge, or an otherwise qualified individual to whom the parties mutually agree, and shall be subject to disqualification on the same grounds as would apply to a judge of such court. All rules of pleading (including the right of demurrer), all rules of evidence, all rights to resolution of the dispute by means of motions for summary judgment, judgment on the pleadings, and judgment under Code of Civil Procedure Section 631.8 shall apply and be observed. The arbitrator shall have the immunity of a judicial officer from civil liability when acting in the capacity of an arbitrator, which immunity supplements any other existing immunity. Likewise, all communications during, or in connection with, the arbitration proceedings are privileged in accordance with Cal. Civil Code Section 47(b). As reasonably required to allow full use and benefit of this agreement's modifications to the Act's procedures, the arbitrator shall extend the times set by the Act for the giving of notices and setting of hearings. Awards shall include the arbitrator's written reasoned opinion. Resolution of all disputes shall be based solely upon the law governing the claims and defenses pleaded, and the arbitrator may not invoke any basis (including, but not limited to, notions of "just cause") other than such controlling law.

6. This is the entire agreement between me and the Company regarding dispute resolution, the length of my employment, and the reasons for termination of my employment, and this agreement supersedes any and all prior agreements regarding these issues. Oral representations or agreements made before or after my employment do not alter this agreement.

7. If any term or provision, or portion, of this agreement is declared void or unenforceable, it shall be severed and the remainder of this agreement shall be enforceable.

DO NOT SIGN UNTIL YOU HAVE READ THE ABOVE CERTIFICATION AND AGREEMENT. If you have any questions regarding this certification and agreement, please discuss with a representative of the Company before signing. A copy of this certification is available to you in Spanish.

MY SIGNATURE BELOW ATTESTS TO THE FACT THAT I HAVE READ, UNDERSTAND, AND AGREE TO BE LEGALLY BOUND TO ALL OF THE ABOVE TERMS.
